Uhm No need to peel apples for me to eat
Eat, eat!! We do this where I'm from for the bedridden, I wanted to try it out myself!
校医院
After the Athletic Decision was over
Ehe hee hee
Whenever they were looking after the sick or hurt, they'd carve apples into little bunny shapes
I was taken to the nurse's office

Feed the dog!
And so was some-one else...
Give me another shot and I definitely won't lose!
You lost, Dog Senly. Forget it.
Besides, you're a dog, you don't need your arm to feed yourself
Tch, you're annoying
But you did let me off, so I owe you one

This is how it went.
Letting her off on the Athletic Decision punishment
It's over! Miss Lin is victorious!
And so Officer Senly must beor the Athletic Decision punishment
Wu Hei Hei...
As the number one destructive force Senly seems to have never had to suffer punishment

To go so far as to treat me like this...
Appropriate precautions have already been taken
To prevent them from blasting their way out of this
Wu Hei Hei, you bastard!

signs: dare & truth

Allow me to explain,
"Truth" will make public an extremely embarrassing secret,
While "Dare" is a random spectacle that is quite humiliating.
Of course, it's up to Miss Lin to decide.
So, what shall it be?
Eh What a tough choice.

Truth!! What is the embarassing secret?!
Hm
Better choose the easy one and get this over with.

What secret has Miss Lin uncovered ?!
Oh my, seems like it's quite the shocker!

How am I supposed to get along in school now..
It's mom's retarded thing, without question...
Officer Senly is in fact...
Um,
I-It really is... super embarass-ing...
It'd be better to die than have this made public
She is...
A Half -Bichon.
Note: A Bichon is a small breed of dog much like a poodle.
What-- The number one grenadier, Officer Senly, is in fact a cute doggy...
Really, what a surprise...
It's no wonder she's so short!
That changes my impression of her!
Damn, isn't that super cute?

Haha, how cute!
So tiny!
.....
With this, the Athletic Decision comes to a close.
Both players will now be taken to the nurse's office and afternoon classes may end early.
Wu
Hi
Hei
...How naïve.
As a solider, how do they even survive?

Stop laughing at me!
To think you were a poodle!
Using your rank to be all high and mighty!
Hold on a minute, Senly.
Keep dreaming, shrimp. You'll never be a match for me.
Dumbass cat, you pickin a fight?
Just you wait, I'll put you in your place!

Were you the one who sent those punks to retrieve the polar bear?
That polar bear figurine... I already know what's inside.
So... how did that "stuff" get here?

Since I helped you out, I hope you'll tell me
What was it doing at the school?
With so many in there, was it for some sort of deal?
Sigh
Ah, right
Alright. I'll tell you It was for a large shipment of bombs
This was part of a job someone gave me I did it 'cuz I was getting paid

I'm tight on cash.
Use them to blow up the Kendo Club's room.
I'll pay you well... to order some bombs, how about it?
The job was one that the News Club Chief, Little Winnow, gave me and she had photographic proof that you were a seal
Obviously I had no idea where the all the money was coming from.
But that picture of you as a seal... She'd sell it to another club head for sure.
And with your win, I've lost my authority. Now you're famous and a target.

Either way, the two of you know my secret, so...
I figure you have some more questions?
Ah, just one.
Both of us reolly wont to know ...
What?!

Is it really true that poodles,
Na matter the time ar place, always da this and that ta all sarts af abjects and things~
SCREW YOU!! What kinda question is that!!
Ah, she's gonna screw

I said not to go around breaking things, Miss Senly!
The repair costs will be coming out of your club's budget!!
Anesthetic
I think I get why Senly is always short on money now
Wah, not what I expected
School Nurse Half-Rabbit Achang (♀)
So...
You must be the human Lin?
Ah... I think I haven't been found out...
She's the nurse, anyway

...Human?
But be more careful,
Human.
Ah,
Thank you, teacher
You can head back to class
Should be fine
None of the wounds are very serious

The Club Building
Was I found out just then... But it looked like she wasn't going to bother with me...
Nurse Achang is quite something
Yeah, she's really good

I need to destroy the photos of my seal trans-formation
